RE: Petition to amend Certificate of Convenience and Necessity

Dear Chairman Miller:

On-Site Systems Inc. desires to expand its service area to include a portion of Williamson County, Tennessee, known as Planned Growth Area 5. The attached Petition is in support of our request.

Sincerely,

Charles Pickney, Jr., President
On-Site Systems, Inc.

**BEFORE THE TENNESSEE REGULATORY AUTHORITY
NASHVILLE, TENNESSEE**

_____, 2004

**IN RE: PETITION OF TENNESSEE WASTEWATER SYSTEMS,
 INC. TO AMEND ITS CERTIFICATE OF
 CONVENIENCE AND NECESSITY**

DOCKET No. _____

Petition of Tennessee Wastewater Systems, Inc.
To amend its Certificate of Convenience and Necessity

Tennessee Wastewater Systems, Inc. ("TWS") petitions the Tennessee Regulatory Authority ("TRA") to amend TWS's Certificate of Convenience and Necessity to expand its service area to include a portion of Williamson County known as Planned Growth Area 5. (See proposed service area map Exhibit "A"). However, TWS would like to exclude the portion of this area known as "Water Bridge Development" (See Exhibit B). Neither Nolensville/College Grove Utility District nor Williamson County desires nor do they have plans to provide sewer service to this area (See attached letters)

Respectfully submitted,

Charles Pickney Jr., President
Tennessee Wastewater Systems, Inc.

Tariff Rate Sheet

Commercial Sewer Rates – without food service

The monthly sewer charge per customer is based on the design daily flow expected from the type of establishment being served. A minimum of \$75 per month will be charged for up to the first 300 gallons per day of design flow expected. (Except off-site which will have a \$73.00 minimum plus pass through costs.) For each additional 100 gallons per day of design flow expected, up to a total of 1,000 gallons per day, an additional charge of \$15.00 per month per 100 gallons will be levied. For design flows expected over 1,000 gallons per day, up to 3,000 gallons per day, the following monthly charges per 1,000 gallons of daily flow will apply.

Disposal

<u>Treatment</u>	<u>Drip Irrigation</u>	<u>Point Discharge</u>	<u>Off Site</u>
<u>Sand-Gravel Filter</u>	\$140 00	\$165 00	N/A
<u>Lagoon</u>	\$116 00	\$140 00	N/A
<u>* Off Site</u>	N/A	N/A	Pass through costs & \$73 00

For design daily flows over 3,000 gallons, the monthly charge on all system configurations will be \$116.00 per 1000 gallons of daily flow.

Additional surcharges will apply when customers exceed their expected design flows. For any month that a customer's water meter reading exceeds the expected design flow, the following surcharges will apply:

Excess water usage	Surcharge
1 gallon to 1,000 gallons above expected design flow	\$175.00
1,001 gallons to 2,000 gallons above expected design flow	\$200.00
Over 2,000 gallons above expected design flow	\$200.00/1000 gallons

If the water meter readings exceed the design flow for any three consecutive months, the monthly charge will be revised to reflect the increased usage and any capital costs associated with increasing the capacity of the system will be paid by the customer.

* Off Site means treatment and disposal by another entity such as a city or utility district

Fees: Nonpayment – 5%
 Disconnection - \$10
 Reconnection - \$15
 Returned Check - \$20
 City of Coopertown Franchise Fees: 3%

Tariff Rate Sheet

Commercial Sewer Rates – with food service

The monthly sewer charge per customer is based on the design daily flow expected from the type of establishment being served. A minimum of \$100 per month will be charged for up to the first 300 gallons per day of design flow expected. (Except off-site which will have a \$94.00 minimum plus pass through costs.) For each additional 100 gallons per day of design flow expected, up to a total of 1,000 gallons per day, an additional charge of \$18.00 per month per 100 gallons will be levied. For design flows expected over 1,000 gallons per day, up to 3,000 gallons per day, the following monthly charges per 1,000 gallons of daily flow will apply.

Disposal

<u>Treatment</u>		<u>Drip Irrigation</u>	<u>Point Discharge</u>	<u>Off Site</u>
	<u>Sand-Gravel Filter</u>	\$170 00	\$192 00	N/A
	<u>Lagoon</u>	\$142 00	\$163 00	N/A
	<u>* Off Site</u>	N/A	N/A	Pass through costs & \$94 00

For design daily flows over 3,000 gallons, the monthly charge on all system configurations will be \$142.00 per 1000 gallons of daily flow.

Additional surcharges will apply when customers exceed their expected design flows
For any month that a customer's water meter reading exceeds the expected design flow, the following surcharges will apply:

Excess water usage	Surcharge
1 gallon to 1,000 gallons above expected design flow	\$210.00
1,001 gallons to 2,000 gallons above expected design flow	\$220.00
Over 2,000 gallons above expected design flow	\$220.00/1000 gallons

If the water meter readings exceed the design flow for any three consecutive months, the monthly charge will be revised to reflect the increased usage and any capital costs associated with increasing the capacity of the system will be paid by the customer.

Re: Growth Area 5 - Sewer

Dear Mr. Pickney:

Per your inquiry, please be advised that Nolensville/College Grove Utility District has no plans to provide sewer service to Planned Growth Area 5 in Williamson County which is located within the District's boundaries.

Sincerely,

Charles Strasser, General Manager
Nolensville/College Grove Utility District

RE: Request for Permission to Provide Sewer Services
PGA 5 - Williamson County

Dear Mr. Scott:

This correspondence is a revision of the correspondence dated November 18, 2003 in response to objections raised by Mr. Donald Scholes, Attorney for Nolensville/College Grove Utility District.

Pursuant to Tennessee Code Annotated, Section 7-82-201, et. seq. and Tennessee Code Annotated, Section 7-82-301 et. seq., as County Mayor, I have administered two public hearings concerning a request received from Cartwright Creek Utility Company to provide sewer services in the area commonly known and referred to as Planned Growth Area Five located in the Fifth District of Williamson County.

Please accept this letter as notification that after due diligence, consideration of all information provided to me, the support of the Williamson County Commissioners in the Fifth District, and the assertion from Nolensville/College Grove Utility District that it has no future plans of providing sewer services in the area at issue, I have concluded that the public convenience and necessity requires the additional services be provided. Therefore, I respectfully submit to you that the public convenience and necessity requires sewer services in this area and as such Cartwright Creek Utility Company's request should be granted and a certificate of convenience and necessity should be issued.

Sincerely,

Rogers Anderson
County Mayor
